gallery-grade paper. The unique cocktail art is available from a sophisticated web site, where prices range from \$20 for a metallic print, up to \$550 for a large print matted in a deluxe frame or an image on canvas in an elegant floating frame.

The full BevShots gallery is comprised of 29 images ranging from tequila and whiskey to martini and vodka tonic to domestic and imported beers and red, white and sparkling wines, all available as customizable art pieces. No two beverages look alike, with images representing an array of colors and patterns that can fit the decor of any home or office.

"BevShots easily mix with today's trends in abstract art, but feature a topic we all know and love - alcoholic beverages," said BevShots President **Lester Hutt**. "It's exciting to find out what your drink of choice looks like under a microscope. We're thrilled by the outpouring of interest from people who want to display their favorite drinks in their home or office."

Hutt is also counting on BevShots' images finding their way to this year's holiday gift lists.

"It's the perfect gift for a friend, family member or client who loves art, a drink or unique accessories for their home, office and

the ultimate conversation piece.*

Any of BevShots images can be ordered online at www.BevShots.com. Gift cards are available for those who would rather let recipients select their own favorite image.

In addition to the full gallery of BevShots available online, owners of iPhones can sample and share the unique images thanks to the new BevShots® BarTop application. At a cost of \$1.99, it provides microscopic images of a dozen drinks in various bar settings.

To learn more visit www.BevShots.com. To check out the iPhone app, touch the **App Store** button on your iPhone and search BevShots or BarTop.
