BevShots

Posted by Big Bets on September 10th, 2009

Whoever would of thought that art and alcohol actually mix? Some of the world's best creative writers are were well-known alcoholics so it's only natural that a company would come along and offer some artistic expression all for the sake of a good stiff drink. The company BevShots will take your favorite vice and turn it into a piece of contemporary art. The idea is to give artists a platform for creating art that is
